Hospital May Buy Mortgage Co. Bldg. At 21st, Madison

St. Elizabeth Hospital announced today it is negotiating to buy the two-story brick building at 21st street and Madison avenue now occupied by Mercantile Mortgage Co. The firm is to move next month to new offices at Clayton, Mo.

Sister Mary Thomas, hospital administrator, said the building would be used for offices and storage.

"We are overworked now, and whenever any property nearby becomes available we look into it," the administrator said.

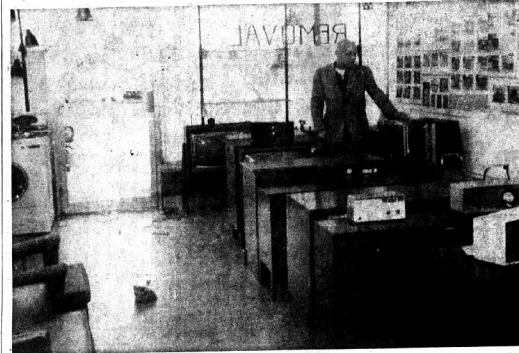

Both Sister Mary Thomas and officials of the financial firm said the contract has not been signed but is in the process of being negotiated.

The building at 2044 Madison avenue originally was a waiting station and offices for Illinois Terminal Railroad Co.

Measles Vaccine Now Available In This Area

Physicians in the Quad-City area this week received supplies of measles vaccine, it was announced yesterday. The vaccine recently was approved by the federal government.

Individuals over eight months of age who have not had severe measles are in the group recommended for the vaccine. While children are expected to be the main recipients, adults also will be among those inoculated.

Coats Resigns Tax Collector Job In Nameoki Twp.

The resignation of Nameoki Township Tax Collector Elbert Coats, effective immediately, was accepted last night by the town board members who will meet April 24 as a board of appointment to name a successor.

Coats, who is in his first term as collector, gave no reason in his letter of resignation, but in recent months he and the board have been feuding over the selection of deputies for his office.

Coats had maintained he was not required to submit a list of names since he would not know names which he would not know.

The collector could not be reached at his home and office in State Park Place for comment. He is the second tax collector to resign in the Quad-Cities this year. Granite City Treasurer and Collector Frank Sappington is retiring April 30.

Davis To Name 'Pat' Rich To Treasurer Job

Mayor Davis' selection of his two-time opponent, Ernest R. Davis, as his appointee to the \$716-a-month city treasurer post is to be submitted to the city council for confirmation at next Monday night's session.

The mayor made public his preference yesterday, and the council is to take over the operation of the office.

Sappington, who has held the post over 25 years, is retiring April 30. Two years remain in his current term of office.

Full Time

Rich, an oil distributor, will devote full time to the city post. Mayor Davis said, Rich's son, James, is to take over the operation of the oil company at 17th street and Madison avenue, the mayor explained.

Rich unsuccessfully opposed Davis in two mayoralty campaigns two years ago and in 1957.

The city treasurer is paid \$300 a month for the city post and \$416.66 a month as township tax collector for a total of \$866.66 a year. In addition to his treasurer-collector role, Sappington also has handled the city's parking meter collections.

Lawrence Brush, 27, Missouri Ex-Convict Killed Instantly When Shot In Head: Wife Unhurt—Admits Break-In At H&R Furniture Store, 3:30 A.M.

Police shot and killed a burglar suspect early this morning a short time after he had broken into a Bellefonte Village shopping center furniture store and stolen a \$188 portable television set.

Lawrence Brush, 27, of Hillsdale, Mo., was shot in the back of the head and died instantly after he persistently tried to elude police in a high speed chase and had ignored several warning shots in the air.

Accompanying Brush was his wife, Carolyn Joyce, 20, who was not injured when their car was shot. She called police, and the car was towed to the curb near 29th street and Washington avenue where he was killed.

A television set found in the auto was identified by Oliver Meade, manager of H&R Furniture Store, as one missing from a stand in the place.

According to police, Brush was an ex-convict who was sentenced in 1959 to a four-year term in Missouri state penitentiary for burglary and larceny. He was discharged from prison last May. Police said he had a record of other arrests.

Mrs. Brush served 20 days in St. Petersburg, Fla., for petty theft, police records show.

Cleaning Woman Calls Police

About 3:55 a.m., cleaning woman in one of the stores heard the sound of breaking glass. One said she saw Brush running from the furniture store. She called police, and the woman in the other place, where there was only a pay phone, tried to call police but did not have any change. She did not see the man, police said. Their names were not disclosed.

A police car cruising in the area arrived moments later and observed a broken window in the store and saw an auto leaving the area. They gave chase, firing several warning shots, which went unheeded by the driver.

Two more Granite City police cars joined the chase when Brush roared away at high speed.

Police estimated the chase covered about 40 blocks over a route that followed roughly in the Bellefonte area, on Benton street, De la Plaine street, Grand avenue, West Granite, Edwards street, Nameoki street, 27th and 28th streets and Washington avenue.

Fleeing Auto Intercepted

Brush's auto was intercepted on Benton street and Washington avenue by a police car manned by patrolman Richard Bell and sergeant Pinkerton. When they refused to stop, both policemen fired a total of four shots directed at the vehicle and the bullets killed Brush. It was not determined which officer fired the fatal shot.

Police said Mrs. Brush admitted the theft. In her statement to police she said her husband smashed the window and carried the television set across the lot to a stop sign, walked back to the auto and had her drive over to the set which he put inside.

The woman was charged this morning with burglary and larceny. She was bound over to the grand jury by Police Magistrate Ghasparovic. Bond was set at \$5000.

A large piece of concrete had been used to smash the front door glass at the furniture store. The 2 x 4-foot hole was used for entry and to carry out the portable tv set.

Police believe the chunk of concrete was obtained from the excavation of driveway between Reese drug store and Madison County Federal Savings & Loan Association, where the Reese store is being expanded.

James Braddock of the Central Christian Church; Rev. Howard White of the Third Baptist Church; and Rev. John Williams of the Mitchell Free Lutheran Church.

The Lutheran Bureau Good Friday Memorial Service will be at the theatre from 12:10 to 12:30 p.m. with Pastor Norman Garfield of Mt. Calvary Lutheran Church, Cahokia, as guest speaker. Serving as liturgists will be Pastors Arvin Tjvelmet of Concordia and Alfred Bult of Hope Lutheran.

Special music will be presented by the St. John Lutheran senior church choir with Mrs. J. C. Cell as organist and accompanist. Pastor Samuel Bodan will direct the choir in several chorales. A colored filmstrip of the Lord's Crucifixion will be shown by Henry Amelung.

The Lutheran Bureau also will hold its annual Easter Sunrise Service at 6 a.m. in Wilson Park at 27th street. The speaker will be Pastor Ralph Bringe, minister of the Lutheran Church in Crestwood, Mo., Lutheran Mission.

In case of rain, the sunrise service will be held at Concordia Lutheran Church, 23rd street and Grand avenue.

Coats Resigns

(Continued from Page 1.)

Coats' letter said he was resigning.

Complaint On Trailers

In other action last night, the town board referred to the state Health Department and the village of Pontoon Beach a complaint by Jack Smith, a barber, concerning trailer camps and the lack of proper sewage disposal.

He said one septic tank was serving seven houses. The trailers and water from the tank was flowing into Long Lake, which empties into Horseshoe Lake.

Taken under advisement was a letter from County Treasurer George Musso recommending additional funds and deputies for Tax Assessor Joseph Cohan because of a new state requirement for valuation records to be kept on each parcel of property in every township.

Cohan was present and said he had received a copy of the letter. He made no recommendations.

Township Multiplier

Musso also advised the town board that unless a 20% valuation was placed on property, the township would be given an equalizing multiplier. Property in the township has been assessed at about 25% of its resale value. Musso has said during conferences with assessors.

Town Atty. Nick Vanell reported that a hearing is set for April 19 on three railroad petitions to intervene in the township's suit against the East Side Levee & Sanitary District to force the levee district to give financial aid toward the township's proposed sanitary sewer system.

The hearing will be held in a judge's chambers in the St. Clair county circuit court at Belleville. The judge has not yet been designated.

The township seeks to test state legislation which requires a referendum in the levee district for issuance of general obligation bonds. The railroad wants to intervene to make certain the "friendly" suit is contested.

Before adjourning, the board voted to designate Granite City Trust & Savings Bank as the depository for all township funds.

Progress Report Due On Hillside Drainage

A progress report meeting on the proposed Hillside Drainage program has been called for 7:30 p.m. Wednesday, April 17, by trustees of the East Side Levee & Sanitary District, non-governmental sponsoring agency for the project.

The public meeting will be held at levee district headquarters, 2642 McCasland avenue, East St. Louis.

Trustees said they will attempt to bring interested persons up to date on plans for obtaining co-operation from city and township governments. They also will outline the methods being considered to raise non-Federal funds to supplement those earmarked for the \$7.1 million project by the U. S. Corps of Engineers, which has approved plans for the interior flood control project in Madison and St. Clair counties.

Home Enticed By Intruder With Muddy Shoes

The home of Carl W. Burgdorf, Rural Route One, was entered yesterday by an intruder whose muddy footprints were found throughout the house. However, nothing was reported missing.

Burgdorf, whose home is near the Chain of Rocks canal along U. S. Highway 67A, discovered the break-in about 7:30 p.m. A rear door panel was smashed to gain entrance.

Legislation Proposed To Boost State Scholarships

(Special from Springfield)

Increased scholarships at state-owned universities is proposed in a bill offered in the House of Representatives by Rep. McCormick and S. J. Traynor (D-Taylorville)—provides that engineering and other scholarships shall not be awarded for violation of provisions prohibiting the blocking of intersections by trucks.

The bill, which is sponsored by Rep. Paul Powell (D-Vincennes), is referred to the House Education committee.

Another part of Powell's bill provides for representation of Southern Illinois University and the State Teachers Board in making rules governing the granting of scholarships and on the joint committee on scholarships. It provides for use of scholarships at SIU and the colleges under the Teachers' Board.

An Illinois Commission to enable the state to participate in the New York World's Fair is proposed in it also. The bill, sponsored by five south-central and southern Illinois members included an appropriation for \$1 million, to be taken from the state agricultural premium fund which receives part of the proceeds of state taxes on farm products and on race tracks.

The five co-sponsors are Reps. Powell; Leland Kennedy (D-Alton); Ralph T. Dixon (R-Alton); C. L. McCormick (R-Vincennes); and Charles E. Schaefer (D-Norfolk). House Speaker John W. Lewis (R-Marshall) referred the bill to the House Agriculture committee.

Seek Daylight Time Act

Another bill to reduce daylight savings time in Illinois was introduced in the House this week by Reps. Powell and Ben Braddock (D-Taylorville). Gordon Kerr (R-Brookport), failed of passage in the Senate.

Ringling of bells by the public and semi-public institutions having bells for a period of four minutes starting at noon on the Fourth of July is urged in a resolution adopted by the House this week. It was offered by Rep. L. C. Harris (D-Granite City), who suggested new-media of the state also present the Declaration of Independence through its facilities.

Musso's \$750,000 Suit Argued In Belleville

Arguments in a \$750,000 damage suit brought by George Musso, Madison county treasurer, were being heard today in Belleville before James Gray, St. Clair county probate judge, serving as an associate circuit judge.

The case originally was filed last July in Granite City court against Donald E. Harris of Springfield and the Sinclair Oil Co. as a result of an auto accident last May 17 in which Musso sustained severe injuries.

Sinclair is a co-defendant as Harris allegedly was on a business trip for the firm at the time of the accident.

Arguments in the case, being heard without a jury, opened Monday in Belleville after Granite City Judge Fred P. Schuman disqualified himself. A change of venue to St. Clair county was obtained.

Musso was a passenger in an auto driven by William Buckler of East Alton when the oil truck occurred on U. S. Highway 66 west of Edwardsville. Musso, who was county sheriff at the time, suffered injuries which included numerous compound fractures.

The Granite City law firm of Moran, Beatty and Hiscott is representing Musso, while the Sinclair Oil Co. is represented by the firm of Costello, Wheeler, Roberts and Gundlach of East St. Louis.

Meeting Tonight Of Pontoon Beach Village Board

The first meeting of the new officers for the newly established village of Pontoon Beach will be held at 7:30 this evening at the Nameski town hall on Route 102, near Stallings.

Village President Thomas Stalcoff said the board hopes to arrange for a meeting place within the village in the near future.

This evening's meeting, which is open to the public, is to organize the village and carry out the initial functions. The board was elected March 23, following a December election for the corporation of the area which has a population of about 400 persons.

The six-member board of trustees also will determine which of the three members will be four-year and two-year terms.

Communion Service Tonight At First Presbyterian Church

A Holy Communion service will be held at 7:30 o'clock this evening at the First United Presbyterian Church, in which 8 o'clock was originally announced.

Arguments in a \$750,000 damage suit brought by George Musso, Madison county treasurer, were being heard today in Belleville before James Gray, St. Clair county probate judge, serving as an associate circuit judge.

The case originally was filed last July in Granite City court against Donald E. Harris of Springfield and the Sinclair Oil Co. as a result of an auto accident last May 17 in which Musso sustained severe injuries.

Sinclair is a co-defendant as Harris allegedly was on a business trip for the firm at the time of the accident.

Arguments in the case, being heard without a jury, opened Monday in Belleville after Granite City Judge Fred P. Schuman disqualified himself. A change of venue to St. Clair county was obtained.

Musso was a passenger in an auto driven by William Buckler of East Alton when the oil truck occurred on U. S. Highway 66 west of Edwardsville. Musso, who was county sheriff at the time, suffered injuries which included numerous compound fractures.

The Granite City law firm of Moran, Beatty and Hiscott is representing Musso, while the Sinclair Oil Co. is represented by the firm of Costello, Wheeler, Roberts and Gundlach of East St. Louis.

Legislation Proposed To Boost State Scholarships

(Special from Springfield)

Increased scholarships at state-owned universities is proposed in a bill offered in the House of Representatives by Rep. McCormick and S. J. Traynor (D-Taylorville)—provides that engineering and other scholarships shall not be awarded for violation of provisions prohibiting the blocking of intersections by trucks.

The bill, which is sponsored by Rep. Paul Powell (D-Vincennes), is referred to the House Education committee.

Another part of Powell's bill provides for representation of Southern Illinois University and the State Teachers Board in making rules governing the granting of scholarships and on the joint committee on scholarships. It provides for use of scholarships at SIU and the colleges under the Teachers' Board.

An Illinois Commission to enable the state to participate in the New York World's Fair is proposed in it also. The bill, sponsored by five south-central and southern Illinois members included an appropriation for \$1 million, to be taken from the state agricultural premium fund which receives part of the proceeds of state taxes on farm products and on race tracks.

The five co-sponsors are Reps. Powell; Leland Kennedy (D-Alton); Ralph T. Dixon (R-Alton); C. L. McCormick (R-Vincennes); and Charles E. Schaefer (D-Norfolk). House Speaker John W. Lewis (R-Marshall) referred the bill to the House Agriculture committee.

GCHS Selects 12 Cheerleaders For Next Year

By Patty Kaula

Twelve spirited girls will lead Granite City fans in cheers and chants in support of the Granite City high school Warriors for the 1963-64 school year.

The new Warrior cheerleading squad includes one sophomore, Mary Lynn Jessor, and 11 juniors, Carol Cease, Mary Ann Kriv, Maggie Hartin, Carol Shuckley, Pam Goodin, Judy Spurrier, Sharon Hamlin, Jeanne Hoover, Ginger Harn, Nona Hobbs and Claire Steinhauer.

The 12 girls plus seven others were chosen from 29 who tried out. Several teachers made the first eliminations at preliminaries on April 1.

The following day, at an assembly, 19 girls performed their cheers before the Granite City students, who then voted for three girls of their choice.

To be eligible to try out for the cheerleading squad, a girl must be an active member in the Red Peppers, keep up her school grades, have her parents' approval and have plenty of school spirit.

Hiles Only Winner For GC

Alton's Revised Track Lineup Rips Past Outclassed Warriors, 99 To 19

Granite City, one of the few Southwestern Conference schools brave enough to schedule the Alton track and field squad in a dual-meet this season, took its lumps here Tuesday afternoon as had been expected, losing to the smooth Redbirds 99-19 in senior division competition.

The visitors, fresh from a runaway team victory at the Decatur open events, had too much depth and talent for Coach Ross Rosenthal's group.

But the stiff competition did help Granite City competitors record their best marks of the spring in a number of events.

Another Record For Hiles

The Warriors' only event winner was Joe Hiles, who bested Paul Economides in a discuss duel and established another GCIS school record in the process: 155 feet, 11 inches in three meets. Hiles has set and broken the school's shot put record and established a new record in the discuss.

Alton shook up its regular senior division lineup as Coach Jim Wiggers cast about to see if any more hidden talent could be brought to light. He switched runners to unfamiliar events, but the Redbirds still managed 13 first places as they swept five events and won both relays.

Economides Reached 55.4
Times and distances in four events were worthy of special

note. Andy Johnson clipped off the 120-yard high hurdles in 15.2, Richard Swift cleared the high jump bar at 6-2, Economides reached 55.4 in the senior shot put and Hiles established the previously mentioned record in the discuss.

Outside of Hiles' winning effort, the Warriors settled for four second and two third-place finishes. Eric Robertson (440), Joe Nemeth (180 LH), Gary Lomax (mile) and Hiles (shot) were the GCIS runners-up, while Jim Parker took a third in the 100 and Jim Cant a third in the broad jump.

The senior division results: 120 HH—A. Johnson (A), L. Johnson (A) and Miller (A), 15.2; 100-yard dash—Mitchell (A), Keenan (A) and Parker (GC), 10.5; 880-yard run—Gantz (A), A. Johnson (A) and Frayzer (A), 2:05.4; 1600—Gantz (A), 5:17.2; 440-yard run—Miller (A), Robertson (GC) and Caldwell (A), 3:39; 180 LH—Hiles (A), 1:16.6; 220-yard dash—A. Johnson (A), Nemeth (GC) and Sims (A), 21.0; mile run—Hunt (A), Lomax (GC) and Carroll (A), 4:41.6; 220-yard dash—A. Johnson (A), Mitchell (A) and Keenan (A), 2:25.

Mile relay—Alton, 3:37.8; pole vault—Terry (A) and Blain (A), tie for first, 11-6; 116-high jump—Swift (A), Nixon (A) and Homer (A), 6-2; shot put—Economides (A), Hiles (GC) and Wall (A), 55.4; discuss—Hiles (GC), Economides (A) and Boedecker (A), 155-11 (new

GCIS school record); broad jump—A. Johnson (A), Simms (A) and Cant (GC), 18-5.4.

Junior division winners:

120 HH—Thomas (A), 16.4; 100—Wyatt (A), 11.0; 880—Kennedy (A), 2:08.7; 880 relay—Alton, 1:38.4; 440—Gorsow (A), 55.4; 180 LH—Thomas (A), 2:34; mile—Podhorn (A), 5:04.8; 220—Holiday (A), 25.2; mile relay—Alton, 3:43.9; pole vault—Jordan (A), 11-0; high jump—Thomas (A), 5-4; shot put—Tim Gibson (GC), 42.2; discuss—Dickerson (A), 113-8; broad jump—Wyatt (A), 17-1.5.

Cahokia Noses Out Prather, 57-51

Prather junior track squad won nine events but lost a dual meet in Cahokia Monday afternoon, 57-51.

Virgil Littlejohn was a triple winner for the Chiefs, taking firsts in the broad jump, high jump and 220-yard dash. Double winners for Prather were Gary Johnson in the shot put and discus and Len Revelle in the 100 and 440. Mike Barnhart won the 880-yard run and the Prather 440-yard relay foursome also scored a first place.

Cahokia's sweep of the pole vault was decisive in the final outcome. The Chiefs next opposed a freshman squad at Roxana on April 17.

— TRY A CLASSIFIED AD —

ALL ALONE as he clears the last barrier, Alton's Leroy Johnson outpaces the field in senior 180-yard low hurdle event here Tuesday afternoon. State champion in the event, Andy Johnson, did not compete in his specialty. Leroy Johnson's winning time was 21.0.

Cooper Wins 3 Firsts; MHS Tops Indians

Walt Cooper led Madison high school's track and field squad to its first dual meet win of the season Monday against non-conference opponents from Waterloo in a dual meet at MHS Monday afternoon, 63-54.

Madison grabbed firsts in both relays, swept the broad jump for the second time this spring and won winning performances from Cooper in the 100 and 220-yard dashes and the 440-yard dash.

Netmen Lose To Maroons; Play Codaasco

Granite City high school tennis players go against what Coach Dick Harmon calls "the toughest opponents on our schedule" this afternoon at Country Day school in St. Louis county.

The 4 p.m. matches today follow on the heels of a Southwestern Conference loss Monday at Belleville, where the Maroons were 4-1 winners in a decision considerably closer than the final three-match margin would indicate.

The Warriors (2-2) had been set for a meeting with Edwardsville yesterday afternoon, but the matches were postponed by rain.

Two Points Declared
Match points in the third set of the No. 2 singles and the second set of the No. 1 doubles at Belleville Monday afternoon made the difference in the Maroons' 4-1 victory.

Bill Logan rallied in the third set against Brian Smith, but the game and match point went to the Belleville player in a 13-11 set. Belleville's Earl Millard and Tom Farquhar likewise scored a set-deciding match point in their second series against Wayne O'Dell, Hancock and John O'Dell.

"This is not good for my players," remarked GCIS Coach Harmon, "but I still believe we can improve enough to beat them when they come down here (on April 24). But for those two points it would have been 3-2 our way instead of 4-1 Belleville."

Granite City's only match winner Monday was East Towne's Wayne Hancock, who topped the No. 3 singles. He defeated Bob Allison in straight sets.

No. 1 singles—Frank Corners (B) defeated Mike Barnes 6-3, 6-1; No. 2 singles—Brian Smith (B) defeated Bill Logan 6-8, 6-3, 13-11; No. 3 singles—Rusty Tabor (GC) defeated Bob Allison 6-1, 8-6.

No. 1 doubles—Earl Millard and Tom Farquhar (B) defeated Wayne Hancock and John O'Dell 1-6, 10-8, 6-4; No. 2 doubles—Jay Haines and Charles Hollinshead (B) defeated Neal Wolf and John Zerlan 6-3, 6-4.

Exhibition singles—Jerry Walters (GC) defeated Jerry Hartman 9-7, 6-2.

Four new teams in 1963 Tavern League
Four new teams will take the field for the first time when the Sunday morning Tavern Softball league opens its season at four locations on May 5.

New clubs joining the holdovers will be Venice-Madison American Legion, P.O. #27, Buzz's Tavern, Madison Bowling Club and Liberty Home. Back from 1962 are Bowland, Sportsman's Club, Home of the Braves and Polish Hall.

Liberty Home Manager Al Timko said he is organizing a meeting for interested players over 21 years of age will be held at the home 14th street and Grand avenue, at 8 o'clock tonight.

Spencer Moore and Tom Patzke (E) defeated Frank Broyles and Casimir Krakowicki 6-0, 6-0.

MHS-Cahokia Rained Out; Eagles Win

Yesterday's rain here was looked upon as a sort of blessing by Madison high school baseball Coach Earl McClanahan.

"It's not often that a coach takes such an attitude—spring baseball schedules suffer enough postponements and cancellations due to bad weather as it is—but for the Trojans it meant a couple of extra days of rest for the only player who can qualify at this point as a 'starting pitcher,' namely Mike Dillon.

"And we may be able to locate someone else who can get the job done for us before we play again," McClanahan said after yesterday's home meeting with Cahokia had been postponed.

Dillon, who pitched well but not well enough Monday afternoon against Bethalto, will likely get the call next Tuesday afternoon when the Trojans travel to Highland to resume Midwestern Conference play. He had been scheduled to work yesterday against Cahokia, a club leading the conference race with a 3-0 mark.

The two teams were both on hand in Madison yesterday waiting for a possible break in the weather, but when sleep began to fall about 3 p.m. the game was called off. It will be rescheduled.

Madison's stay atop the Midwestern Conference baseball standings was a short-lived one, ended in Madison Monday afternoon by Bethalto and Eagle pitcher Tom Erzen, who twirled a masterful two-hit shutout in leading the Trojans' first loss in three MVC games, 5-0.

Erzen silenced MHS bats, with hoop angles by Sam DeMaest and Gary Skinner the only damage. Loser Mike Dillon pitched creditably, with the exception of the second and seventh frames, when the Eagles reached him for eight of their 10 hits and all five of their runs.

Despite its lack of hitting, Madison had Erzen in trouble three times, loading the bases in the fifth and getting two runners aboard with one out on two other occasions. But Erzen, who struck out 10, worked his way clear on each occasion.

Dillon trailed 2-0 after six innings, but Bethalto put the game on ice with a pair of triples, a double and single good for three runs in the top of the seventh.

Cahokia, Madison's scheduled opponent yesterday, moved past the Trojans into first place Monday by scoring its third straight MVC win, an 8-0 decision against Roxana.

Run Season Mark To 9-1

Warriors Are Making Early Bid For Southwestern Baseball Crown

"They're playing the same kind of baseball they did last year," observed one grandstander as he watched Granite City's Warriors in action this week at Wilson Park. "Only difference from last year is that they're winning."

Whatever the difference, it is one which has helped Coach Joe Fedora's club build a 9-1 record and eighth to first place in the Southwestern Conference this spring.

The Warriors have not done it the easy way. Twice this week they spotted opponents big early leads, only to rally in the late innings and pull both games out. On Monday they broke a four-game Belleville winning streak with four runs in the final two innings for a 5-4 win which gave the Warriors a 2-0 conference record.

Unbeaten In SWC Yesterday's date at Edwardsville was rained out, so the Reds remain the only unbeaten team in conference circles.

On Tuesday, Fedora struck with a shaky junior making his first varsity start in a non-conference game here with Triad. First inning hitting helped the Warriors pull this one out of the fire, too.

Fedora has no cut and dried explanation for the Warriors' sudden success. "These are the same kids who played last year; they're a year older, a year stronger and perhaps a year smarter," he says.

After yesterday's rainout, Fedora gave his youngsters the weekend off. They will practice Monday, although it is an Easter holiday, and then get back to the business of baseball on Tuesday, when they are scheduled at East St. Louis. The Warriors have dropped one SWC game in three outings.

East St. Louis was scheduled at Edwardsville this afternoon, weather permitting, and Edwardsville Athletic Director Joe Lucero is trying to reschedule the GCHS game for Saturday, April 20, at 1:30 in Edwardsville.

Ketner Delivers Pinchhitter deluxe Bob Ketner came from behind, making a new game of a contest here with Triad Tuesday afternoon.

Warrior pitchers allowed the Maroons only one hit Monday at Belleville, but fifth-inning singles by Fred Peterson and Al Taylor's sacrifice fly gave the Warriors a 2-0 win without a hit and pad their lead to 4-0.

The Warriors came to life in the top of the sixth, scoring two when Bob Kandell and Larry Dillard drew walks and Ketner followed with a pinch-hit double to knock out Maroon starter Don Davis.

The winning rally in the seventh was ignited when Jim Cavanaugh led off with a double and moved to third on Glen Hoffman's single.

Lofthander Terry French blooped a single to the opposite field, tying runs and advancing on a fielder's choice — Dillard beat out an infield hit to plate Hoffman with what stood up as the deciding run.

Board Plans Reorganization; Retirement Benefit Voted

Plans to hold its organizational meeting at 7:30 p.m. next Tuesday were made by the Granite City school board Tuesday night. Two board members are to be elected Saturday, and Tuesday's business will include canvassing the returns and choosing board officers for 1963-64.

During a regular meeting Tuesday, the board adopted the 1963-64 school calendar. Classes will begin Sept. 3 and end June 5.

The board approved reinstatement of a retirement benefit for all non-certificated personnel, including custodial, cafeteria and maintenance employees.

Payment of one-fourth of unused sick leave at retirement had been halted last year due to a court ruling, but it has been found possible to grant a fourth of "earned absences," which are figured on a basis similar to sick leave. The board recently established the earned absence retirement compensation for teachers.

Kindergarten registration dates for 1963-64 were announced as April 29 at Webster, Nemo and Niedringhaus schools; April 30 at Mitchell, Logan and McKinley; May 1 at Marshall, Washington and Stallings; May 2 at Maryville and Emerson; and May 3 at Wilson, Frohert and Lake schools.

Approval was given for a biennial GCHS vocal music student tour May 1 through May 4. The tour trip will include Aurora and Chicago.

The Nemo Little League was authorized to use the Nemo grade school baseball diamond for practice by its teams in 1963.

Hiring For Next Term

The board hired for the 1963-64 year: Miss Sharon Marie McDonough, De Soto, Mo., bachelor degree from Southeast Missouri College and three years of teaching experience; she will teach girls' physical education at Central Junior high school.

Miss Sandra Ann Skulish, 3424 Lydia lane, 1963 bachelor degree from the University of Missouri; English at the junior high or high school level.

Miss Susan Kaye Odum, Carbondale, 1963 bachelor degree from Southern Illinois University; elementary teaching position yet to be assigned.

Cafeteria Workers

Two substitute cafeteria workers were hired for regular employment on a four-hour day basis, filling existing vacancies in the staff. Mrs. Pearl Stone, 2205 Edwards street, will work at Prather Junior high school, while Mrs. Jeanne Hasty, 2212 Victory drive, will be assigned after bidding for positions by present cafeteria employees is completed.

Resignations effective June 7 were accepted from Mrs. Russell (Cynthia) Oden, 1861 Fifth street, Madison, an Emerson kindergarten teacher, whose husband is being transferred, and from Mrs. Clair St. Louis, Coolidge junior high mathematics instructor, who will advance upon for a master degree.

Madison Pumping Station To Be Ready By June 1

Madison's new pumping station is fast nearing completion. The facility, located just north of the Merchants' bridge on Granite City Army Depot property, is scheduled to be ready for use about June 1.

Storm drainage water will be pumped through the station by means of three pumps during high river stages. During the normal stage, water will flow through into the channel by gravity.

Water will enter by means of three sewers measuring 84 inches, 42 inches and 60 inches. The latter sewer will pick up water from the depot.

The new facility is being constructed by the U. S. Army

Corps of Engineers. On completion, it will be turned over to the East Side Levee & Sanitary District for operation and maintenance.

Construction of the pumping station began last July.

The final pouring of concrete slabs of twin discharge culverts measuring seven feet by seven feet is being accomplished. Water will be carried from the discharge chamber, through the culverts which are 30 feet underground, through the levee, to an open ditch emptying into the Mississippi river.

So far, construction is on schedule and will be completed on time, weather and river permitting.

Liquor Obtained Last Night In 2 Burglaries

Twelve burglaries and thefts reported to area police this week included looting of the Kacera Distributing Co. in Madison last night. Whiskey, beer and office equipment were taken there, along with two trucks later recovered. Liquor also was taken last night at the Den restaurant.

Kacera Break-In

An undetermined amount of whiskey and beer, office equipment and two trucks were taken in a break-in Wednesday evening at the Kacera Distributing Co. warehouse and office, 1350 Grand avenue, Madison. It was reported by Madison police.

The vehicles, which included a pickup truck and beer delivery truck, were recovered at 2:35 a.m. today at National City. The burglary was reported to police by Paul Kacera, who operates the business.

Burglars jimmied a metal door to the warehouse on the Grand avenue side, and forced open a wooden door into the office from where a typewriter and electric adding machine were taken. Two desk drawers were jimmied open, but nothing was missing. A cash box containing a small amount of change and a checkbook were undisturbed.

The trucks were parked in the warehouse. The pickup truck was driven out of an automatic overhead door on the west side of the warehouse, and the beer truck was driven out of an overhead door on the east side.

A gate leading to the whiskey storage area was forced open, and police found a gray overbar on the floor which did not belong to the company.

Restaurant Break-In

Burglars pried open the front door of the Den, 24th and State streets, early this morning. Missing are a case of whiskey and 35 to 40 bottles of liquor from the bar. The loot was carried out in an awaste basket and a laundry sack, police said.

Bob's tavern, 21st and Adams street, was entered by burglars

early Tuesday morning. Clarence A. Goeller, an employee, found the front door had been forced. Twenty-five dollars was missing from the cash register, police said.

A plate glass in the front door was broken during the night at Bill's service station, Washington avenue and Edwards street. A check book and bank deposit bag were recovered outside the building. Nothing was reported stolen, police said.

Police discovered a rear door broken open at Michael's grocery, 22nd street and Edison avenue, about 4 a.m. today. The store was ransacked. Papers were strewn about and milk was thrown on some canned goods.

Ralph S. Lindsey, 2137 Edison avenue, a serviceman, told police Wednesday the door compartment of his auto was ransacked the night before while the vehicle was parked at his home. Missing was a U. S. government check for \$28.90.

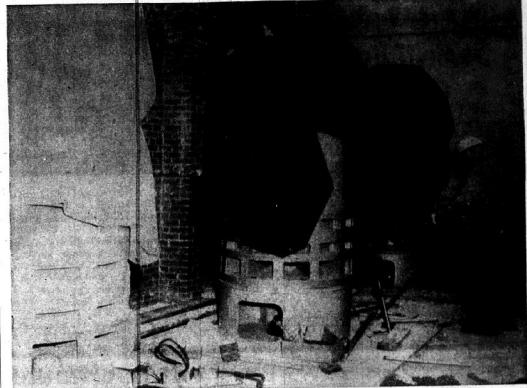

Three \$10 bills were reported missing Wednesday afternoon from Miller's service station, 29th and Adams streets. Thieves jacked up a used auto at Tri-City auto sales, 1725 Madison avenue, and stole the two front tires. It was discovered Tuesday morning and reported to police.

Accidents Injure Four; Man Atop Slag Pile Jumps

Four persons were injured in three accidents, including a plant mishap, this week, and were treated at St. Elizabeth Hospital. None of the injuries was serious.

Glenn Romaine, 26, of 2917 Oregon avenue, jumped about 20 feet from a separator machine as a backing truck crashed into the machine early Wednesday. A driver for the Ferro Processing Co., he was atop a slag pile near 21st street and Edwardsville road.

Serious injuries and damage could have occurred if the truck had rolled over, a company spokesman said. Romaine complained of pains in the neck and upper right leg.

THREE 42-INCH STORM WATER PUMPS being installed in the new Madison pump house will pull water out of the streets faster than at present. They will be put in use when the river is at a high stage. The pumping station will be completed about the first of June, it is estimated.

Work On Prather Athletic Fields To Be Speeded

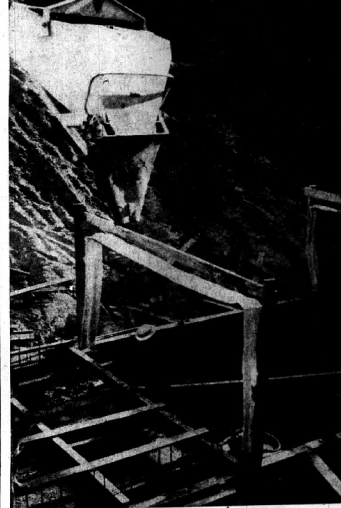

Improvement of the Prather junior high school campus was placed on a rush basis Tuesday night by the Granite City school board in order to assure that the football and baseball fields will be available for use in 1963-64. The teams have been using other school and park fields.

Topsoil needed there was placed for bids, which are to be submitted by 4:30 p.m. next Tuesday, with board action following that night. The board authorized hiring for related grading work.

The Prather school is in its third year of operation, and it has been decided to expand the scope of initial plans for alteration of the ground contour, to assure safety of school athletics.

School Engineer Marvyn Dean was asked to prepare recommendations for a solution of Niedringhaus grade school and Granite City high school classroom overheating, and it was reported that further work is planned at recently-resurfaced GCIS tennis courts.

It was decided to make no further payments at present on \$14,019 still unpaid to the Studebaker firm, general contractor for additions placed in use last fall at Coolidge junior high school. No major work remains to be done there by the firm, which has suspended operations pending a financial study. No action was taken on a \$1262 lien filed by Paul Seebold, subcontractor, on concrete work at the additions.

FINAL CONCRETE POURS are being made here for a slab of twin discharge culverts at the new Madison pumping station. Water will enter at this point from the discharge chamber and carried underground to an open ditch draining into the river. Construction of the pumping station began last July.

SIU School of Business Observing Anniversary

The School of Business of Southern Illinois University, Carbondale, which began with four faculty members, has a staff of 33 this year as it observes its 30th anniversary on the campus.

The year 1933 marked the formal beginning of the business and economics program at Southern when a Commercial Department and an Economic Department were recognized as separate entities at the University. At that time the faculty of the Commercial Department consisted of T. L. Brown, department head, Susie Ogden and Edward V. Miles Jr.

There were 12 courses: five in accounting, three in commercial law and one each in business administration, marketing, finance and penmanship. Russell M. Noe, dean of the school, taught the eight courses offered by the Economics Department.

In 1945 the two departments were placed in a new College of Vocations and Professions, headed by Henry J. Rehn, the president of the school.

Hobby Becomes Business For Antique Collectors

Need a shrunken head, a Cuban torture mask or a set of Samurai armor? Ken Wyatt, 1943 Benton street, and his partner, Roger Larson of Clayton, can supply them. They have opened the "Antique Arms Museum" on State street near 19th street.

Items in their inventory date back almost 4000 years. Others are quite modern. They range from objects found in the tomb of Tutankham from Harelog, Egypt, (1906 B. C. to 1888 B.C.), Roman coins 2000 years old, Mayan Indian relics, Civil War swords and revolvers, to world war II German pistols.

Larson began collecting antique arms about 1943 when he was in the merchant marines. He purchased a driver, Wyatt began collecting about 1945.

Have Toured Country
For the past six or seven years they have been hauling their collections around the country to exhibits where they buy, sell and swap pieces. "Collectors will drive two and three hundred miles on a week-end to see a collection," said Wyatt. He and Larson plan to drive to a show in Toledo, Ill. April 20-21, a distance of about 200 miles.

The store is their first real venture into antique arms trading as a business. They agreed that their inventories became too large for private collections and decided to go into the business seriously.

Larson said the business has done well since the store was opened March 1. "There are more collectors locally than we anticipated," he said.

Egyptian Razor From Tomb
The oldest pieces are from the Egyptian tomb. They include a copper razor, flint knives and a amulet. They were acquired in St. Louis from the City Art Museum at a recent sale.

Perhaps the most unusual relic is a genuine shrunken human head from the Jivaro tribe in South America. It is valued at \$300. Three weeks ago Larson

brought back a collection of Mayan Indian pieces about 400 years old from Guatemala. The most valuable piece is a sword, believed to have belonged to T. F. Mallory, assistant secretary of the Confederate navy. It was acquired from Collette Hill Arsenal in Nashville, Tenn. It is presently valued at \$450.

Verification in writing of the sword's authenticity is being sought from the United Daughters of the Confederacy, Raleigh, N. C., and from the Tennessee State Archives, Nashville, Tenn. If verification is received, the value of the piece will increase considerably, Wyatt said.

Several other Civil War relics, including swords, ammunition and photo albums are for sale, in display but not for sale is a collection of badly-rusted Civil War revolvers, two from battlefields. Two are still loaded.

Chinese Crossbow
Among the more unusual weapons is a Chinese crossbow more than 200 years old. It is unusual in that it shoots round iron pellets instead of arrows.

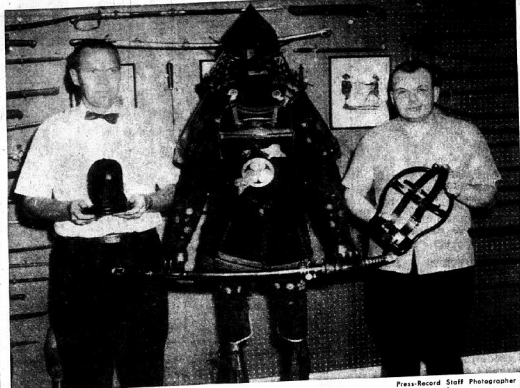

From Japan is a complete set of 17th century Samurai armor. It is inlaid with silver and includes a long two-handed sword.

The armor was the property of a prominent Japanese Samurai from a Florida museum.

From England is a 10th century treasure chest made of copper. It weighs 350 pounds. It is equipped with a false lock in front to fool thieves. The real lock is concealed under a piece of sliding metal. An inner compartment also locks securely with a false lock.

Perhaps the most ornate weapons are Indian daggers. One contains 32 rubies and emeralds in the handle. Another is decorated with jade and emeralds.

Ornate Turkish Knives
Also very ornate are two large Turkish knives. One is trimmed with gold and the other with silver. They were displayed by the Turkish government at the

COLLECTING ANTIQUE ARMS AND RELICS was a hobby for Roger Larson (left) and his partner Ken Wyatt. Then they decided to go into business in downtown Granite City. Among the choice specimens for sale are this shrunken human head, held by Larson, a complete set of Japanese Samurai armor, and a Cuban torture mask, held by Wyatt.

New York World's Fair in 1937
and afterward sold. Among the large collection of relics is only one instrument of torture. It is a torture mask, supposedly Cuban.

The mask is a modern piece, estimated to be not more than 35 years old, yet, as a torture device, it would rival anything used in Middle Age dungeons. The mask fits over the head, protruding into the mask are eight sharp spikes, two on each of four side. The victims head cannot move against the spikes and the brain when a lever is pulled.

It is believed to be Cuban," said Larson, "although that cannot be substantiated. But it is not very old. The riveting is modern and it was ground with flywheels."

Buses Damaged By Fire
At Bi-State Agency
Four buses were extensively damaged by fire early Tuesday morning at the Bi-State Development Agency bus company at 16th street and Grand avenue. Firemen said a blaze started in the engine of a bus due to a broken fuel line. The bus was warming up in the yard. The fire spread to another bus behind it, then to two others. No estimate of the damage was made.

Boys Into Parked Truck
A Venice street department pickup truck parked at the curb on 16th street between Lincoln and Washington avenues at 10:30 a.m. Tuesday was damaged in the left rear when an auto operated by Theodore Johnson, 501 Washington avenue, backed out of a driveway at that address.

James E. McClinn, 79, Succumbs After Surgery
James Ephraim McClinn, 79, of 2016 Fourth street, Madison, died at 7:05 a.m. today at St. Elizabeth Hospital where he was a patient for three weeks. Born in Washington, Ind., he lived in the Quad-City area for 40 years. He was retired and had been a car repairman for the Illinois Terminal Railroad years. He was a member of the Brotherhood of Railway Carmen of America, Local 117, at Alton. He is survived by his wife, Mrs. Zoma McClinn; two daughters, Miss Edna Mae McClinn, Madison, office secretary at Madison high school, and Mrs. Lester (Esther) Hoffman, El Paso, Tex.; three grandchildren and one great-grandchild. An obituary notice appears elsewhere in this issue.

Three Autos Involved In Accident Wednesday
Three autos were involved in an accident Wednesday afternoon at 20th and Iowa streets. Police said autos driven by Gerald L. Angelle, 35, of 1837 Edwardsville road, and Herbert Gierig, 55, of 2802 Franklin avenue, collided at the intersection. Gierig's auto then was involved in a collision with another that was stopped at the exit of the Granite City Steel Co. parking lot. The latter auto was driven by Francis J. Seventh Ward Vote Recount Set For 9 A.M. Saturday

The 1600 ballots cast April 2 in the Seventh Ward are to be recounted Saturday morning by a committee of three Granite City aldermen.

The recount was requested Monday night by Atty. Randall Robertson on behalf of his father, R. E. Robertson, former mayor and candidate for the Seventh Ward aldermanic post.

Robertson was defeated by 10 votes by G. H. Sternberg, the official canvass showed Monday night. Immediately after the canvass, the petition for a recount was presented to the council and was accepted.

To Conduct Recount

Mayor Davis selected Aldermen Paul Rutledge, Estill V. Schmitt and Ford Johnson to conduct the recount in the conference room on the third floor of the city hall, starting at 9 a.m. Saturday.

City Atty. George Filcoff Jr. also is to be present along with attorneys representing Robertson, Sternberg and other Seventh Ward candidates, if they desire.

Sternberg, a contractor, was declared the winner by a vote of 629 over 619 for Robertson. Other candidates and their total votes were—James Kostoff, 263; Ross Halbrook, 31, and Alex Rusick, 24.

3 Precincts In Ward

The Seventh Ward has three precincts with 411 ballots cast at No. 18, Hazel's Beauty Shoppe, 2443 Grand avenue; 615 at No. 19, Goetting service station, 2880 Madison avenue; and 574 at No. 22, Pina's Beauty Shoppe, 718 and Benton streets.

A breakdown of the Sternberg-Robertson votes at the three precincts follows: No. 18, Sternberg 158, Robertson 127; No. 19, Robertson 254, Sternberg 222; No. 22, Sternberg 249, Robertson 238.

Attorneys for the two candidates are to meet in advance of the recount with City Atty. Filcoff to establish "ground rules."

Alfred Charles Meyer, who did not seek re-election, commented that several polling place judges in the Seventh Ward had difficulty in determining "good" and "bad" ballots.

Smith Proposes Bill To Reduce IPAC Board Size

(Special from Springfield)

The Illinois Public Aid Commission would be reduced from ten to seven members, serving six-year terms (now two years) and IPAC officers would be established in each of the state's 102 counties, under a series of bills by Rep. Ralph T. Smith (R-Alton) in the House of the General Assembly this week.

The legislation was co-sponsored by the House GOP leadership with Speaker John W. Lewis (R-Marshall) the chief sponsor. Another was Republican Majority Leader William Murphy, Antioch. Rep. Smith is Republican whip of the House.

The bill eliminates two state officers as ex-officio members. Dropped from the IPAC membership would be the state auditor of public accounts and one of the governor-appointed members.

The state finance director would be left on the commission as the only ex-officio member. Appointed members would serve staggered terms starting January 1965.

"Commission Is Sick"

Speaker Lewis' comment on reasons for offering the membership plan was "The Commission is sick. It needs a doctor."

Other new legislation included: By Rep. Paul Powell (D-Vermilion) — appropriates \$25,000 to the City of Anna for the acquisition of land to be used for airport purposes; and by Reps. Powell, Joseph R. Hale (R-Shawneetown) and C. L. McCormick (R-Vernon) — appropriates \$154,000 for completion of a poultry building and for six pole-constructed barns at the Illinois State Fairgrounds at Springfield.

By Representative Hale — amends criminal code to define vagrancy and to make same an offense punishable by a fine of not to exceed \$100, or six months in jail or both; and by Sen. Edward C. Eberspacher (D-Schellville) — on behalf of School Problems Commission — provides for establishing a statewide television network for production of instructional material.

COURAGEOUS STAND BY LINCOLN PLACE VOTERS

To the Editor:

Press Record, you are not alone when you congratulate the majority of Granite City voters who displayed their distaste for the ineptitude of the former city council majority.

But I would like to congratulate an unheralded precinct that despite curses, threats and intimidation, has been able to courageously express their independence by thumbing their noses at the "shepherd" of the Fifth Ward. I am referring to the precinct of Lincoln Place.

They refused to be herded in like the "frightened 500" which has been the mainstay and backbone of Mr. Norn's long and unfortunately successful campaigns.

Mr. Norn's efforts were historically unparalleled in Lincoln Place. This observer counted 10 or more automobiles hired, with co-workers—and all-out efforts to counter the measure, and to garner a tonate 464 votes cast.

Also hovering over the precinct like a stifling cloud was the over-present threat of extinction that had been promised due to the setback in the precinct in his last aldermanic ground.

It may not be known generally—but it is known and respectfully in the precinct—that Mr. Darbach's presence at the council meeting was only semblance of Lincoln Place representation, is due to tradition and not legal direction. The entire Fifth Ward elects both aldermen that are to represent it.

Since West Granite has twice the votes of Lincoln Place, it is West Granite voters that control and ultimately decide whether both aldermen will be. It is supposed to be a favor that Lincoln Place has an alderman at all. And since Mr. Norn has the reins, it is supposed to be his gift, to take back at least one alderman.

It is this gross injustice that has colored Lincoln Place politics for these many years. The fact which has not been attacked by its "representative."

To me, this is the prime concern that must shadow all decisions by an alderman sup-

Two parties took place Saturday at the home of Mrs. Harry Dishong on Madison avenue.

At noon, Mrs. Dishong entertained guests at a birthday luncheon honoring her daughter, Sophie, who was 18. Guests included Mrs. Henry Wuester, Mrs. Fred Slay and daughter, Mrs. George Willard and children, George and Darlene, all of Granite City, Miss. Anna Brookman of Collinsville and Miss Lena Weidling of St. Louis.

In the evening, a group of friends gathered to honor Mrs. Dishong with a surprise party on the occasion of her birthday. They spent the evening playing cards and had a late supper. Mrs. Dishong was served by Mrs. J. C. Henderson of Madison, Mrs. and Mrs. W. C. Harmon, and Mrs. L. O. Heuring and Mr. and Mrs. Dishong. Everyone present received a prize.

Miss Dorothy Higgins entertained her bridge club Friday evening at her bridge club, 213 Edison avenue. Bridge honors went to Miss Nettie Dudenhofer and Mrs. J. C. Schewe. Miss Mary received the consolation prize.

The SAR club met Saturday afternoon with Mrs. Otto Reitz of Mitchell, Mrs. A. K. Nield of St. Louis, and Mrs. E. J. Smith of St. Louis. Mrs. Walter Combs, a guest, third.

Mr. and Mrs. C. W. Munson returned yesterday with a motor trip to Hot Springs, Ark. Munson is on vacation from the Union State Co.

Richard Arnfield of Granite City, a student at Missouri Polytechnic, who was recently elected to be his parent's Saturday night party given at the home of Mrs. Jackson on Cleveland hill.

Miss Dorothy Sissel of Perryville, Mo., visited over the weekend with Miss Margaret Fechte of Third street, Venice.

Mr. and Mrs. Jesse Sparks, Miss Edith Hurst, Virgil Harris, Mrs. Verna Boyce, Miss Virginia Boyce, Mrs. John Walters, Laura Belle Willis and Beatrice Alder were guests at a surprise birthday party given at the home of Mrs. Jackson on Cleveland hill. All are from Venice.

Mrs. William McLellan, Mrs. Dille, Mrs. H. F. Butler, Mrs. William Mayfield and Mrs. J. C. Schewe were guests at a party given at the home of Mrs. Jackson on Cleveland hill. A pot luck luncheon was served, and the party was very enjoyable. Mrs. Robert McClellan was in charge.

Mr. and Mrs. Jesse Sparks, Miss Edith Hurst, Virgil Harris, Mrs. Verna Boyce, Miss Virginia Boyce, Mrs. John Walters, Laura Belle Willis and Beatrice Alder were guests at a surprise birthday party given at the home of Mrs. Jackson on Cleveland hill. All are from Venice.

Township Fund Transfer Proposed By Sen. Simon

Sen. Paul Simon is co-sponsor of a bill which would authorize a board of town auditors to borrow from one township fund — other than the regular road fund — for the benefit of another town fund. The proposal was sent to the Senate Municipalities committee.

Introduced in the House was a bill which would prohibit discrimination in connection with private house accommodations and create a commission to administer the law. The bill provides for a \$100,000 appropriation for the commission expenses.

The proposed law is not aimed at owner-occupied property but at real estate as a business enterprise. It was pointed out that other states have fair housing laws.

Amendments to the Illinois Pension code were introduced in the Senate with respect to terms of members of the board of trustees of the Illinois Pension Laws Commission. They would have board members appointed in January of odd-numbered years and commissioners named in June of the odd-numbered years.

Tourist Commission. Identical bills were introduced in the Senate and House to create an Illinois Tourist Commission within the state Board of Economic Development to "put Illinois in the active promotion for the travel dollar." Representatives of the travel industry

would comprise membership of a board which would authorize an advisory board.

A second proposal for the office of state superintendent of public instruction be appointive rather than elective was submitted to the Senate. An earlier one was sponsored by Sen. Simon.

Another new bill in the House, co-sponsored by Rep. Leland Kennedy, would assess waterfront for the motor fuel tax with \$42,000 of the proceeds going monthly into a state treasury bonding fund to promote boat safety.

An increase in the maximum levy to pay for conducting elections in downstate counties has been proposed. It would boost the amount from .02% to .025% to provide for backlog referendums. It would be levied biennially in township counties.

A requirement for junk yards to be fenced effective Jan. 1, 1964, is proposed in another bill, which Sen. Simon is co-sponsor of. The bill provides management of permanent funds in counties of less than 250,000 with three land commissioners elected. In counties between 250,000 and a million population, a county board of school trustees would be township land commissioners.

Sen. Simon also invites county school superintendents to recommend legislative changes directed to reducing school costs, with recommendations to be in by May 15.

GC Vote Canvass Confirms Unofficial Tally Of Results

A 30-minute special council session Monday night for canvassing the results of the April 12 city election did not change the outcome nor any vote totals. The total vote was set at 12,876.

However, it did bring out an election contest as Atty. Randall Robertson petitioned for a recount of the Seventh Ward ballots where his father, R. E. Robertson, a former mayor, lost to G. H. Sternberg, a contractor, by 10 votes. The recount is scheduled for 9 a.m. Saturday in the mayor's conference room at the city hall.

The canvass declared William Warfield as re-elected to the office of superintendent of streets; and the following aldermen were elected:

First Ward—Charles McOrton for four years and William Dallas for two years; Second Ward—Samuel Whitmer re-elected; Third Ward—Clyde Boyd for four years and J. D. Bergfield for two years.

Fourth Ward—Donald Parney, re-elected; Fifth Ward—Walter Norn, re-elected. Sixth Ward—William McGee, re-elected; G. H. Sternberg, re-elected; Eighth Ward—Earl Thompson.

No mention was made in the resolution of the three assistant superintendents elected—William B. Webb, Robert Gaughan, who were re-elected, and Carl Roach.

Canvass Totals
Six months of the canvass vote totals follow:
Twp. of Streets
Edmund Bartosiek, Norn and Mrs. Gabrielle Bettine.

Second Ward—Samuel Whitmer, incumbent, 803; Bernard May 294.

Third Ward—Four-year term: Clyde Boyd, 455. Two-year term: J. D. Bergfield, 305; Adelbert Ambuehl, 192; Roy Foulke, 255; Homer Brown, 60.

Fourth Ward—Donald Parney, incumbent, 789; Litten Joyce, 308.

Fifth Ward—Walter Norn, incumbent, 795; Curtis Blevig, 655.

Sixth Ward—Kenneth Hartbarth, incumbent, 732; Frank Nemeth, 267; William McGee, 1206; and James Worthen, 882.

Seventh Ward—G. H. Sternberg, 629; R. E. Robertson, 619; James Koster, 268; Alex Busick, 24; Ross Halbrook, 31.

Eighth Ward—Frank Vessel, incumbent, 589; Emerald Davis, 306; Earl Thompson, 1104; and Arthur Roseman, 301.

The canvass was presided over by Mayor Davis, and participating in the canvass were City Clerk L. E. Stevens and Aldermen Schmittou, Whitmer, LeMaster, Parney, Paul Rutledge, Webb, Busick, Shuckelford, Casner Skubish, Charles Meyer, Fred and John Johnson, Albert Edmund Bartosiek, Norn and Mrs. Gabrielle Bettine.

First 5 Million McKinley Traffic Total In Prospect

The first 5,000,000 one-year traffic volume in the history of the McKinley Bridge appears possible in 1962-63 following tabulation of 2,377,048 vehicles during the first half of the fiscal year. Crossings in the summer half of the year traditionally exceed those in the winter half.

Bridge business has been approaching the 5,000,000 level for some time.

The first full year of operation by the city of Venice, October 1959 through September 1960, brought a 3,971,979 tally, and four million was exceeded in 1960-61 when the figure was 4,132,360. For the calendar year of 1961, the level was 4,276,253. Vehicles numbered 4,722,868 in 1961-62, or 4,831,289 for the 1962 calendar year. Now, for the first six months of the 1962-63 year, the count is running 125,170 ahead of the 2,251,578 in October 1961-March 1962.

The report for the month just ended shows 405,359 crossings, including 80,071 in the first week, 92,699 in the second week, 93,754 in the third week, 94,123 in the fourth week and 53,812 in the last three days of March. Daily average was 13,076, best since November.

Favors Review Of 5th Ward Voting With 7th

Mrs. Gabrielle Bettine, Seventh Ward city council member, told the Press-Record this week she will oppose all actions taken at Monday night's council meeting other than those listed when the special session was called for canvassing purposes. She was unable to attend.

She took particular exception to plans made for a Seventh Ward vote contest, saying the Fifth Ward outcome also should be reviewed and it would be simpler to do both at the same time. She questioned how some Fifth Ward ballots marked in both a circle and square were tallied, and added that addresses listed by voters also should be reviewed.

Recalling the contest in her ward two years ago, when she was re-elected, Mrs. Bettine said she disapproves of a policy similar to "pupils grading their own papers." She said all aldermen, rather than just those of an affected ward, should have a role in reviewing the vote in a contested ward.

ADULT HOSPITAL VOLUNTEER Albin "Curly" Perryman, who spends four to five hours a day assisting the patients and the staff of St. Elizabeth Hospital. The patient being wheeled from an elevator is Joseph Buscher of Oak Park, Ill., a long-time Granite City resident employed by the Northwestern railroad.

Neighborly Texan Proves Value To Hospital Here

A man's work at times may cause him to live in a new community for a brief duration, and he seldom does he bother to take a personal interest in his surroundings.

But there are exceptions to the rule, and St. Elizabeth Hospital is benefiting from one of them.

The hospital has become an outlet for Albin "Curly" Perryman of Quitman, Tex., who left somewhat lost when he came to Granite City last month.

He volunteered his spare time to the hospital, and works there four to five hours a day. He is a station operator for the Magnolia Pipe Line Co. six miles from Mitchell, and will remain until later in the year when the station is automated.

"Let me say that it is a pleasure to be a volunteer worker here at St. Elizabeth Hospital," Perryman said. "I hope that I can be of a little help to someone while here."

Small-Town Man
"Coming from a small town in East Central Texas (near Dallas), I found it hard to adjust myself here at Granite City, having been active in the Lions Club, Cub Scouts, Youth Foundation, Sunday school, classes and other work."

Perryman, who is 59 years old and lives at the YMCA, says "I'm

eligible for some kind of retirement in three years, but I want to keep going. I'd rather wear out, than rust out."

The pipeline company employee shows no signs of wearing out as he generally is seen with a cheerful smile when helping patients or staff members.

Valuable Asset
Sister Mary Thomas, hospital administrator, is more than pleased. "He has been a most valuable asset at the hospital, wheeling patients to and from x-ray, helping out here and there and lending a helping hand where needed."

Some hospital personnel fear he may be doing too much.

When he leaves here, Perryman may return to Quitman, where his wife maintains a home, but he will see her sooner as the plans to come to Granite City when the weather becomes warmer.

"After my company has finished with me," Perryman said, "I'm hoping to keep occupied at something, if no other than volunteer and civic work. I think life is too short to be thrown away, with so many handicapped and deserving people needing help."

"It's not what you keep and hold that counts, but what you give to others."

Before replacing the lid on a paint can, breathe lightly into the can on top of the paint. This preserves the paint and prevents formation of troublesome film. If storing paint for the season, follow the above procedure, then join the lid on tightly and turn the can upside down. When you open the can again, the paint will be as fresh as when you left it.

LARGE LITTER. It is snack time here for "Lady's" litter of puppies. Mrs. James Batson, 2641 Center street, pets the three-year-old German short haired pointer at several of the puppies feed. Looking on are Becky, 5, and Timmy, 6, two of the Batson children. "Lady" gave birth to 14 puppies in early February.

**Unusually Large Litter
Of Puppies Born To Dog**

"Lady," a three-year-old Ger-4, could hardly wait for them to grow big enough to play with. They are just going to let the new owners do that. All but five already are sold.

Batson wired the kennel with a floodlight which keeps it warm. The doghouse is in a large steel mesh wire enclosure with a concrete floor. This gives the puppies ample room to romp. When the puppies were born the Batson children, Cathy, 8, Timmy, 6, Becky, 5, and Chris,

Girl Scouts Give 1015 'Bunny Boxes' To Hospital

Presentation of 1015 "Bunny boxes" made by Girl Scouts of the Quad-Cities District Four was made this week at Alton State Hospital. Each scout had designed and decorated her own box and filled it with candy or cookies.

The "Bunny boxes" are to be distributed to patients that will be unable to participate in Easter activities. Arrangements for the presentation were made with Mrs. Marjorie Dintelman, supervisor of volunteer services. Leaders who took the boxes to the hospital were Miss Dorothy Hinson, Neighborhood One chairman; Mrs. Louis Santagato, Neighborhood Three chairman; Mrs. Edgar Votaw, Neighborhood Four chairman; Mrs. Brukner, Neighborhood Five chairman; Mrs. Henry Helrich, Neighborhood Three troop organizer; Mrs. Bernard Miller Jr., district Four chairman, and Mrs. Harold Brown, past district representative.

The scouts worked on the project for the past month. It may become an annual custom.

C. Of C. To Co-Sponsor Phone Usage Program

The Tri-Cities Chamber of Commerce will co-sponsor with the Southwestern Bell Telephone Co. a "good telephone usage clinic" at 3 p.m. Wednesday, April 17, at the YMCA. The clinic is the second and is being repeated by popular demand, according to president Chester L. Baker. The last one was two years ago. The purpose of the clinic is to improve telephone usage in business establishments and professional offices. Faster, more effective use of the telephone is a means of improving a firm's public relations, it is believed. The clinic will be open to any employee of a firm in the Chamber's area. Details still are being worked out with the telephone company's manager, Paul D. Stout. It will, however, be a one-hour program with a film. Invitations with return cards for making reservations will be mailed out this week to all Chamber of Commerce members. Admission will be free.

Remodeling Work At Library Is Advanced

A remodeling project at the Granite City public library is nearing completion, Mrs. Mary Knutson, librarian, announced today.

The project will permit moving the children's department into the ground floor auditorium, separating the children from the main part of the library.

However, "we are not in any hurry," the librarian said. "The

painting work will be finished later, and the furniture will be slow in arriving."

Daily schedules are to be determined. The librarian will receive assistance in reorganizing the children's department from the regional library at Carbon Dale, with the aid of college library students.

The work is being done by M. H. Wolfe & Co., low bidder.

History Of Ill. Mormons On Film At SWIU

Southwestern Illinois University is presenting a film on the history of the Mormons in Illinois. The film, "The Mormons in Illinois," was produced by a historian who plans to write a book on the subject.

He is Dr. David E. Miller, professor of history at the University of Utah, and a specialist in the history of the westward movement, who was in Alton researching SIU's microfilm collection preparing to write a book on the Mormons at Nauvoo, Ill., during the 1840's.

Presently consisting of 35 rolls of film, the university's Mormon document collection housed at Alton was begun last year under the direction of Dr. Stanley B. Kimball, assistant professor in social sciences at the Edwardsville campus.

Assembling microfilm documents from all over the United States, Kimball now has one of the largest collections pertaining to the history of the Mormons.

In going to SWIU to study the microfilm, Miller said he was "being given a rare opportunity to view first hand probably the only collection of this kind in the world."

Miller's research is sponsored by a grant from the National Park Service through the University of Utah as part of the Westward Movement in American History project.

He is the author of two books, "Hole in the Rock," a study of Mormon colonization in southern Utah, and "Great Salt Lake, Past and Present."

Miller's work is in connection with the recently established Nauvoo Restoration Commission of Nauvoo, Ill., and Salt Lake City, Utah. Last summer an SIU archaeological team excavated the site of the Mormon temple at Nauvoo as part of this project.

relatives with an open house and buffet dinner Sunday evening in Alton.

George Wilson, operations chairman, listed several projects to be completed before opening of the pool. Much of the work will depend on volunteers.

Main project will be constructing a new wading pool for the smaller children and converting the present one to a patio area to be used for refreshments. He said it is hoped also to put a roof over the patio area if time permits.

Mrs. Hogan proposed use of the pool on Saturday morning for diving instruction for stockholders' children who are interested. The board approved the plan on the condition that there is no other scheduled activity on that day. The Mothers' Club will be responsible for securing a diving instructor and paying him for his services.

Following the meeting, refreshments were served by Mr. and Mrs. Wilson and Mrs. Jerry Sizemore to McGee, Jim Spinks, Francis McBride, Ed Hoff, Jerry Sizemore, Jim Noeth, Bob Graf, Catherine Johnson, Mrs. Hogan, Richard Ashad and Bob Yeager. Auditions Begin Tuesday For Talent Show At 'Y'

Local talent is needed for the city's 28,000 frames of microfilm documents on the history of the Mormons in Illinois.

The talent of non-performers also is being sought. Persons for decorating, sewing, lighting, sound, tuning and handling sound equipment are needed.

Performers are asked to take with them their sheet music or recordings.

The program will be based on the results of the auditions, according to the talent list is available. The directors, dance

The theme of the show will be "Vacation '63," an around-the-world trip with stops at all the major vacation and entertainment spots. The theme will lend itself to a variety of national songs and dances. Already in the offering are Mexican dances and a Scottish bagpipe number.

Bronsman said the show will give the average person a chance to get a taste of show business, either on stage or off stage, and raise funds for YMCA youth activities.

The show that is planned will be from 90 minutes to two hours in length.
